

Week 4: Deciding on a Methodology

Using the literature, tools, techniques and technologies, selection criteria, evaluation

- State your research question/problem
- Compare current progress with plan
- Outline the methodology which your team will take in attempting to solve this problem

Note:

When you prepare presentation slides, please put week number (e.g. Week 4) on top of the slide, or at the beginning of the slide.

Your PPT file's name should represent the group name and include all previous slides (e.g. Week 1, Week 2, Week 3 progress documents).

We may ask you to check back the older slides during the presentation.

All the best !
